

# CARDIGAN

Designed by Désormeaux Carrette for Cider Edition

## SEAT I POUF

Cardigan is a pouf designed by the Désormeaux/Carrette studio for Cider. A practical and nomadic seat inspired by the world of Haute Couture. Borrowing codes from the world of fashion, the designers of Cardigan dress a traditional geometrical form of pouf with a protective coat. This ornament, beyond a graphic and formal signature, brings new functions to this piece of furniture: the lower back is supported by the small collar thus created, and the space present between the two elements allows a magazine to be slipped in.

Cardigan is the ideal, trendy companion for office, hotel and home use.

# CARDIGAN

Designed by Désormeaux Carrette

## TECHNICAL DESCRIPTION

### 1 - Structure

The outer shell is made of a moulded polyurethane shell. Inside, a 12 mm thick raw wood base. This is followed by a body composed of two polystyrene blocks, one ultra compact for the central part of the pouf, and the other more flexible for its top. A 50mm thick polyurethane foam crowns the whole. The whole is held together by a central metal rod, fixed to the wooden base, on which the elements fit together.

### 2 - Coating

The whole thing is covered with fabric, in two different colours. The exterior can be chosen exclusively from the range of elastic fabrics.

### 3 - Legs

Non-slip black felt pads with screws are positioned under the base.

## DEPTH OF RANGE

Pouf

## INFORMATION

<b>Reference</b>	CAR_POU	–
<b>Length</b>	456 mm	–
<b>Depth</b>	490 mm	–
<b>Height</b>	504 mm	–
<b>Fabrics required (in metres)</b>	1,5 m	–
<b>Weight</b>	10 Kg	–
<b>Package volume <sup>m3</sup></b>	0,2 <sup>m3</sup>	–

## PRODUCT CERTIFICATIONS

- FSC & CARB wood
- Indoor air emission quality A+ (ISO 16000)
- CFC free
- GREENGUARD certified fabric

## **FINISHES**

### • COATING

#### FABRIC

• CAT 1  
[GABRIEL](#) - cura, chili, felicity, go check, go couture, rondo, step melange, tonal, bond  
[ELASTRON](#) - paris, boston, macau, ascot, seattle  
[FIDIVI](#) - torino, incas, orta, one

• CAT 2  
[FIDIVI](#) - safari, terra, corte, matera, laser j  
[GABRIEL](#) - contour, tempt, swing, crisp, mood, morph

• CAT 3  
[GABRIEL](#) - breeze, fusion  
[ROHI](#) - mica, sera, credo

• CAT 4  
[RUBELLI](#) - fab, thirty, peru, dick tracy, martora, embroidery, coriandolo s, almoro  
[KVADRAT](#) - uniform, blend

#### LEATHER

• TRENDY COLORS LEATHER  
[JOLLY](#) - carmen

• LEATHER  
[DANI](#) - Florida

• EXTRA LEATHER  
[DANI](#) - nabuk  
[SORENSEN](#) - royal nubuk, dunes

## **MAINTENANCE**

### • LEATHER & IMITATION LEATHER

Do not place the leather in direct sunlight or extreme heat. Remove dust regularly with a soft cloth.

Clean using a cleaner or milk dedicated to the maintenance of leather and imitation leather. Proceed by stroking, without rubbing or pressing too hard.

Avoid contact with water or sharp objects. If liquid is spilled, wipe up immediately with a clean, dry cloth. NEVER use detergents, ammonia, oil or varnish. For Royal Nubuck Sorensen, avoid contact with liquids and creams

### • FABRIC

To maintain the fabric, regularly remove dust and lint with a Hoover. If a stain occurs, wipe the fabric immediately with an absorbent, lint-free sponge or cloth. Rub the stain with a damp cloth soaked in ordinary household distilled water to prevent water spots from forming on dark fabrics after drying. Test a hidden area beforehand.

For stubborn stains: lightly brush the stains with a soft, dry brush.

## **GUARANTEE**

- Product guaranteed for 2 years
- Manufacturing life 5 years

## **ECOLOGICAL FOOTPRINT**

- Italian manufacture
- Assembly France
- FSC and ISO 14001, 9001, 45001 certified wood factory
- Eco-responsible wood sourcing and management, 100% recyclable and FSC, CARB certified
- Metal parts made of 100% recyclable steel, painted with A and E1 classification
- Our fabrics are Global Recycled Standard / EU ecolabel / RAL UZ / Green Guard/Blue Angel / Oeko Tex / Cradle to Cradle certified depending on the choice of finish.

**OEKO-TEX®**  
INSPIRING CONFIDENCE

# **ENVIRONMENTAL STATEMENT**

## • Getting involved, concretely

Because we were keen to offer products that deeply embody who we are, Cider is committed to offering furniture that is an agent of change, respectful of the environment and of the quality of life of its users.

Our commitment to the environment and quality is part of a global and concrete approach, involving all areas of activity of the company and its partners: from eco-design to manufacturing, from the choice of materials to their supply, from logistics to transport, from the life cycle of products to their recycling.

Committed, we are certified Gold by the EcoVadis label for our CSR, ISO 14001 for the environmental performance of our production cycle. Our Group is committed to human rights and environmental issues and has been a member of the United Nations Global Compact since 2014. We are also a member of Valdelia and a signatory of the UNIFA (Union Nationale des Industries Françaises de l'Ameublement) CSR charter.

## • Designing, sustainably

The products proposed and published by Cider are designed to last. Evolutive, their design combines function and aesthetics, freeing itself from fashion and superfluity for a longer life.

The right number of components, the maximum number of interchangeable and reusable parts, the encouraged use of recyclable, resistant and easy-to-maintain materials, and a majority of the production to order for a signed project: these are the pledges of a reasoned and environmentally friendly design, capable of avoiding unnecessary waste and reducing the use of energy and natural resources.

It is on this basis that Cider guarantees its products in the tertiary range for 5 years (with the exception of the gas cartridges in the chairs, which are guaranteed for 2 years) and 2 years in the image range. The manufacturing durability is 10 years for the tertiary range and 5 years for the image range.

## • Produce, with awareness

We share with our manufacturers a common commitment to quality and the environment. Our industrial partners are located exclusively in Italy and are for the most part ISO 9001 and 14001 certified, a true guarantee of quality and short, controlled circuits.

Their know-how and high standards are based as much on traditional techniques as on the latest technologies, with a view to ensuring a high standard of quality and continuous improvement at every stage of the production process, while respecting natural resources.

Our key partners follow the REACH standard for resource conservation, component separability and end-of-life recyclability of materials. They constantly strive to reduce and eliminate VOC emissions and use only products with A and E1 classifications. Our factories favour European materials, sourced from Italy and Germany and recyclable. They use FSC or PEFC certified wood and Oeko Tex certified fabrics.

The reduction and recycling of waste and packaging is a concern shared by all.
