

OCULUS

Designed by Studio Profil Bas for Cider Edition

ACCESSORY | ACOUSTIC MIRROR

Through the subtle balance of its composition, the Oculus mirror brings to your spaces an elegant and refined signature but also functional thanks to its acoustic virtues.

A welcome change of scenery in tertiary or hotel environments.

With its rounded, feminine curves, the Oculus mirror is a decorative element in its own right. Its two windows are an invitation to travel and its asymmetry makes it timeless. Edged in stained ash, its fabric inserts are not only acoustic but also open to your creativity. It is up to you to pin your inspirations and thoughts from a meeting or brainstorming session to it.

OCULUS

Designed by Studio Profil Bas

TECHNICAL DESCRIPTION

1 - Structure

The internal structure is made of MDF wood covered with fabric.

2 - Framework

Frame in solid oak with chocolate stain.
Aeroplane wing profiles

3 - Mirrors

Round mirrors. Thickness: 4 mm Diameter 37 cm (small), 53 cm (large).

DEPTH OF RANGE

Acoustic mirror

INFORMATION

Reference	OCU_MIR	–
Height	1100 mm	–
Width	1100 mm	–
Thickness	37 mm	–
Weight	22 Kg	–
Package volume m ³	0,50 m ³	–

PRODUCT CERTIFICATIONS

- FSC & CARB wood
- Indoor air emission quality A+ (ISO 16000)
- CFC free

FINISHES

• STRUCTURE

Wood

Wenge

• COATING

FABRIC

• CAT 1

[GABRIEL](#) - cura, chili, felicity, go check, go couture, rondo, step melange, tonal, bond
[ELASTRON](#) - paris, boston, macau, ascot, seattle
[FIDIVI](#) - torino, incas, orta, one

• CAT 2

[FIDIVI](#) - safari, terra, corte, matera, laser j
[GABRIEL](#) - contour, tempt, swing, crisp, mood, morph

• CAT 3

[GABRIEL](#) - breeze, fusion
[ROHI](#) - mica, sera, credo

• CAT 4

[RUBELLI](#) - fab, thirty, peru, dick tracy, martora, embroidery, coriandolo s, almore
[KVADRAT](#) - uniform, blend

LEATHER

• TRENDY COLORS LEATHER

[JOLLY](#) - carmen

• LEATHER

[DANI](#) - Florida

• EXTRA LEATHER

[DANI](#) - nabuk
[SORENSEN](#) - royal nubuk, dunes

MAINTENANCE

• WOOD

For ordinary cleaning, use a soft cloth moistened with warm water or non-aggressive detergents, or a mixture of 95% water and 5% denatured alcohol. Follow the grain of the wood. Test a hidden area beforehand. Avoid strong detergents, solvents and stain removers.

• MIRROR

Clean regularly with a glass cleaner or a soft, slightly damp chamois. Wipe clean. For combinations of glass with other materials such as wood or metal, we recommend not spraying the product directly onto the surface, but onto a cloth. Always use detergents sparingly.

• FABRIC

To maintain the fabric, regularly remove dust and lint with a Hoover. If a stain occurs, wipe the fabric immediately with an absorbent, lint-free sponge or cloth. Rub the stain with a damp cloth soaked in ordinary household distilled water to prevent water spots from forming on dark fabrics after drying.

GUARANTEE

- Product guaranteed for 2 years
- Manufacturing life 5 years

ECOLOGICAL FOOTPRINT

- Italian manufacture
- Assembly France
- FSC and ISO 14001, 9001, 45001 certified wood factory
- Eco-responsible wood sourcing and management, 100% recyclable and FSC, CARB certified
- Our fabrics are Global Recycled Standard / EU ecolabel / RAL UZ / Green Guard/Blue Angel / Oeko Tex / Cradle to Cradle certified depending on the choice of finish.

ENVIRONMENTAL STATEMENT

• Getting involved, concretely

Because we were keen to offer products that deeply embody who we are, Cider is committed to offering furniture that is an agent of change, respectful of the environment and of the quality of life of its users.

Our commitment to the environment and quality is part of a global and concrete approach, involving all areas of activity of the company and its partners: from eco-design to manufacturing, from the choice of materials to their supply, from logistics to transport, from the life cycle of products to their recycling.

Committed, we are certified Gold by the EcoVadis label for our CSR, ISO 14001 for the environmental performance of our production cycle. Our Group is committed to human rights and environmental issues and has been a member of the United Nations Global Compact since 2014. We are also a member of Valdelia and a signatory of the UNIFA (Union Nationale des Industries Françaises de l'Ameublement) CSR charter.

• Designing, sustainably

The products proposed and published by Cider are designed to last. Evolutive, their design combines function and aesthetics, freeing itself from fashion and superfluosity for a longer life.

The right number of components, the maximum number of interchangeable and reusable parts, the encouraged use of recyclable, resistant and easy-to-maintain materials, and a majority of the production to order for a signed project: these are the pledges of a reasoned and environmentally friendly design, capable of avoiding unnecessary waste and reducing the use of energy and natural resources.

It is on this basis that Cider guarantees its products in the tertiary range for 5 years (with the exception of the gas cartridges in the chairs, which are guaranteed for 2 years) and 2 years in the image range. The manufacturing durability is 10 years for the tertiary range and 5 years for the image range.

• Produce, with awareness

We share with our manufacturers a common commitment to quality and the environment. Our industrial partners are located exclusively in Italy and are for the most part ISO 9001 and 14001 certified, a true guarantee of quality and short, controlled circuits.

Their know-how and high standards are based as much on traditional techniques as on the latest technologies, with a view to ensuring a high standard of quality and continuous improvement at every stage of the production process, while respecting natural resources.

Our key partners follow the REACH standard for resource conservation, component separability and end-of-life recyclability of materials. They constantly strive to reduce and eliminate VOC emissions and use only products with A and E1 classifications. Our factories favour European materials, sourced from Italy and Germany and recyclable. They use FSC or PEFC certified wood and Oeko Tex certified fabrics.

The reduction and recycling of waste and packaging is a concern shared by all.
