

VIRGINIA

Designed by Cider Edition

TABLE MEETING TABLE

Virgule, the meeting table from Cider Edition, is distinguished by its minimalist and timeless design. A must-have for meeting rooms, adaptable in shape, length, height and colour. The Virgule meeting table brings elegance to the workplace. Its iconic legs in varnished steel support a sober and comfortable tabletop thanks to its ergonomic design. A top-of-the-range meeting table that comes in different lengths, tabletop shapes and heights to match the atmosphere of your office. Always with a modern touch.

VIRGINIA

Designed by Cider Edition

TECHNICAL DESCRIPTION

1 - Tray

High resistance melamine top, 25 mm thick, with a density of +/-3% of 770 kg/m³. Smooth or lightly textured melamine decor sheet according to the choice of finishes.

Counterbalance in melamine with the same finish.

2 - Legs

Tapered legs made of platinum epoxy steel, recognisable by their comma shape. Equipped with metal inserts to ensure a secure and durable fixing of the table top.

Intermediate leg with the same finish, offset or reversed for extended bench and meeting configurations.

3 - Cylinders

20 mm diameter PVC adjusting cylinders. Adjustment stroke of 13 mm

4 - Electrification

Many electrifications available.

DEPTH OF RANGE

Table

INFORMATION

Reference	VIR_TAB_140	VIR_TAB_160
Length	1400 mm	1600 mm
Depth	1400 mm	1600 mm
Height	740 mm	740 mm
Weight	56 Kg	65 Kg
Package volume ^{m³}	1,45 ^{m³}	1,9 ^{m³}

PRODUCT CERTIFICATIONS

- FSC & CARB tray
- Indoor air emission quality A+ (ISO 16000)
- CFC free

FINISHES

• PLATEAU

MELAMINATED

• PARTS

METAL

MAINTENANCE

• MELAMINE SURFACE

For ordinary cleaning, use a soft cloth moistened with warm water or non-aggressive detergents, or a mixture of 95% water and 5% denatured alcohol. Follow the grain of the wood. Test a hidden area beforehand. Avoid strong detergents, solvents and stain removers.

• METAL

Clean with a microfibre cloth soaked in neutral soap or neutral cleaners diluted in water. For varnished products, avoid cleaners containing alcohol, granular cleaners and solvents in general. For other finishes, the use of a specially formulated metal cleaner is recommended.

GUARANTEE

- 5 year warranty
- 10-year manufacturing life

ECOLOGICAL FOOTPRINT

- Italian manufacture
- Assembly France
- FSC and ISO 14001, 9001, 45001 certified wood factory
- Eco-responsible wood sourcing and management, 100% recyclable and FSC & CARB certified
- Legs and metal parts made of 100% recyclable steel, painted with A and E1 classification
- Seals with A and E1 classification

ENVIRONMENTAL STATEMENT

• Getting involved, concretely

Because we were keen to offer products that deeply embody who we are, Cider is committed to offering furniture that is an agent of change, respectful of the environment and of the quality of life of its users.

Our commitment to the environment and quality is part of a global and concrete approach, involving all areas of activity of the company and its partners: from eco-design to manufacturing, from the choice of materials to their supply, from logistics to transport, from the life cycle of products to their recycling.

Committed, we are certified Gold by the EcoVadis label for our CSR, ISO 14001 for the environmental performance of our production cycle. Our Group is committed to human rights and environmental issues and has been a member of the United Nations Global Compact since 2014. We are also a member of Valdelia and a signatory of the UNIFA (Union Nationale des Industries Françaises de l'Ameublement) CSR charter.

• Designing, sustainably

The products proposed and published by Cider are designed to last. Evolutive, their design combines function and aesthetics, freeing itself from fashion and superfluity for a longer life.

The right number of components, the maximum number of interchangeable and reusable parts, the encouraged use of recyclable, resistant and easy-to-maintain materials, and a majority of the production to order for a signed project: these are the pledges of a reasoned and environmentally friendly design, capable of avoiding unnecessary waste and reducing the use of energy and natural resources.

It is on this basis that Cider guarantees its products in the tertiary range for 5 years (with the exception of the gas cartridges in the chairs, which are guaranteed for 2 years) and 2 years in the image range. The manufacturing durability is 10 years for the tertiary range and 5 years for the image range.

• Produce, with awareness

We share with our manufacturers a common commitment to quality and the environment. Our industrial partners are located exclusively in Italy and are for the most part ISO 9001 and 14001 certified, a true guarantee of quality and short, controlled circuits.

Their know-how and high standards are based as much on traditional techniques as on the latest technologies, with a view to ensuring a high standard of quality and continuous improvement at every stage of the production process, while respecting natural resources.

Our key partners follow the REACH standard for resource conservation, component separability and end-of-life recyclability of materials. They constantly strive to reduce and eliminate VOC emissions and use only products with A and E1 classifications. Our factories favour European materials, sourced from Italy and Germany and recyclable. They use FSC or PEFC certified wood and Oeko Tex certified fabrics.

The reduction and recycling of waste and packaging is a concern shared by all.
